

Alston Moor Emergency Response Group 4th December.

Phone Line Update— one person called re needing transport for opticians .Dealt with by referring person to Resident running the car transport scheme.

Grisedale Croft experienced loss of heating and hot water one night, however because emergency system in place , a heating engineer was called, Tea Urns and heaters were supplied for all the residents. A success story. Thankyou to everyone that helped out.

Winter Arrangements — — Area Reps ,will have a number of Volunteers who'll they'll be responsible for and to make initial contact to say hello and find out what they are willing to do or/ and skills they possess.

Nenthead shop did deliveries for a number of residents due to weather conditions.

New Back Office—-TH catalogued over 200 documents. Core members of the group,will be given a password for access , some documents will be restricted to Trustees only ie details of Volunteers.

Information from members—-Virtual Community Centre will go live in the New Year . But help is still needed to develop and rollout. /. Christmas card will be ready for collection next week and then delivered by Volunteers. /. Problem with Nenthead Snowplough getting stuck ./ . Church Christmas Carol service can go ahead outside but no dates yet. /. 45 stalls on the Virtual market. /. No quizzes between Christmas and New Year / Santa's update from Tuesday 8th. /. A resident has expressed an interest in Men in Sheds and wants to move things forward .Perhaps can link together with Repair Cafe. Decision To move this item to Area Planning. / Plea from Colin Cox for everyone to keep safe whilst enjoying the festive days .There were 93 patients admitted to hospital at the Peak of 2nd wave , stays are longer, but number of admissions to ITU are down. / . Alston Moor Late night shopping Friday 11th.

Lateral flow test—- (home test kit) — Test twice a week for staff in Hospital , Care Homes .

Next meeting 18th December.
